

# Flip and Halve Activity

Children will learn to find half of a quantity with this flip and halve activity. They should read the number which they flip over and then find half by sharing out counters equally. This fun activity is ideal for your maths lessons or continuous provision!

The following are included in colour and black/white:

- Flip and halve activity mat
- Even numbers to 20 cards

Thank-you for dropping by! If you have a spare minute, I would love to hear your feedback. Don't forget to follow me to receive product updates and details of sales!

I love to see my resources in action, so please tag me on Instagram (@noworksheetsallowed) to show me how you use the activity!

# Terms of Use

Thank you for buying/downloading my product! By purchasing/downloading this resource, you are agreeing that the contents are the property of No Worksheets Allowed and licensed to you only for classroom/personal use as a single user. I retain the copyright and reserve all rights to this product.

## THE ORIGINAL PURCHASER MAY:

- Make copies for their classroom, including home schooling, or tutor sessions;
- Reference (without distribution) this product in blog posts, at professional development workshops, or other such venues provided there is both credit given to myself as the author and a link back to my store included.

## YOU MAY NOT:

- Claim this work as your own, alter the files in any way, or remove/attempt to remove the copyright;
- Share this product with others;
- Repackage and/or sell or giveaway this product to others;
- Offer to share this product anywhere on the internet as a download or copy.

Thank you!
