

# Tower Block Number Mats Freebie

*Children will learn to count and recognise numbers 1 to 3 with this fun activity. They should build towers using the correct number of blocks or cubes. This engaging counting activity is included in colour and black and white versions!*

*The full version of this activity comes with [differentiated build a tower number mats up to 10](#) (counting 1-3, 1-5, 6-10, 1-10)!*

*Simply print out and laminate or place in reusable dry erase pockets. Children can then reuse the activity mats again and again!*

*Thank-you for downloading my freebie! If you have a spare minute, I would really appreciate it if you could provide some feedback. Don't forget to follow me to receive updates and details of sales!*

*I love to see my resources in action, so please tag me on Instagram (@noworksheetsallowed) to show me how you use the activities!*

## Terms of Use

Thank you for buying my product! By purchasing this resource, you are agreeing that the contents are the property of No Worksheets Allowed and licensed to you only for classroom/personal use as a single user. I retain the copyright, and reserve all rights to this product.

### THE ORIGINAL PURCHASER MAY:

- Make copies for their classroom, including home schooling, or tutor sessions;
- Reference (without distribution) this product in blog posts, at professional development workshops, or other such venues provided there is both credit given to myself as the author and a link back to my website included.

### YOU MAY NOT:

- Claim this work as your own, alter the files in any way, or remove/attempt to remove the copyright;
- Share this product with others;
- Repackage and/or sell or giveaway this product to others;
- Offer to share this product anywhere on the internet as a download or copy.

Thank you!
